(15) 5) It is proposed to acquire an area of about 24 acres between Lalbagh and Kankanpalya Main Road for the future development of Lalbagh. S.No. 24 of Lalbagh Upparahalli which forms part of this area measuring 1 acre and 18 guntas, of which Mr. Chinna Reddy owns land measuring 80'x120'. This is a part of un-converted Revenue land and as per the present rates, the cost of land belonging to Mr. Chinna Reddy would be about Rs.1,000/-

(16) 6) 2. Sites Nos.191,192,381 and 389 suggested to be given in exchange of Mr. Chinnareddy's land are all Civic Amenity Sites in front of the Market area in Block II of Jayanagar. They are meant for Civic Amenity purposes like Police Station, Dispensary, Service Station etc., and the Board has resolved that these should not be allotted for residential purposes. These sites measure 30'x60' each and at Rs.9/- per Sq.Yd. the cost would be Rs.7,200/-. They may fetch even higher rates if sold in Public Auction.

(17) 7) 3. Thus, there would be considerable difference in cost between the land proposed to be acquired and the sites suggested to be given in exchange.

(18) 8) 4. Grant of sites in fully developed areas in exchange for the Revenue lands acquired, is a point for consideration, as there will be large variation in cost.

(19) 9) However, in view of his useful services, Mr. Chinna Reddy's representation may be treated as a special case and a Bungalow site of an equivalent extent (site No.16 in Block III measuring 80'x120') may be given in exchange, with suitable concessions in collecting Layout charges, which are fixed at Rs.4-12-0 per Sq.Yd. in this area. I suggest that Rs.2/- per Sq.Yd as Layout charges may be collected as a Special Case.

6/1/56
28/1/56
Min 30/1

The report of the Chairman is not clear, on important points - He suggests that beyond charges should be recovered at Rs 2/0/0 per sq yd). But he has not stated the no of sites that can be formed in the land that is taken from Sri Chinna Reddy.

Secondly the chairman has stated that the acqn cost will be calculated at Rs 1000/- per acre. In that area, as I remember from a perusal of other records, the High court have valued the lands at Rs 4 000 per acre. Therefore, it may not be desirable to fix the rate at Rs 1000/- per acre. Sri Chinna Reddy may go in appeal for enhancement of the award amount

23) Therefore, the Reasonable course that can be followed in this case appears to be to allow the party Sri Chinna Reddy to take the award amount decided by a competent Authority i.e either by the District Judge or the High Court This will decide the core aspect of the question

The second aspect is to give him one ~~or two or three~~ of the sites at rates fixed by the BSL. I think he may be given 3 sites ~~instead of 6 asked for by him~~ at rates fixed by the BSL. If agreed this ~~Govt~~ will be communicated to the Chairman

Shri Chinna Reddy's site which is proposed to be acquired is 120' x 80'. The site proposed for exchange is also of the same dimensions. But Shri Chinna Reddy's site is adjacent to Lalbagh and nearer to City and therefore, is more valuable than the site proposed to be given in Jayanagar which is far off. Therefore, it is advantageous to Government for exchanging land for land It would be inequitable to charge Shri Chinna Reddy with extra cost. Shri Chinna Reddy's property may be taken possession of on exchange basis.

Re: Representation of Sri M.Chinna Reddy, Retd. Assistant Commissioner for grant of site in Jayanagar Extension in exchange of his land to be acquired in Survey No.24 of Lalbagh--Upparahalli.

With reference to your letter No.L.13187/ITB. 11-55-163 dated 10-1-56, on the above subject, I write to state that the above land is one of the several plots proposed for being acquired in connection with the extension of Lalbagh to its south, and the acquisition proposals have already been before the Government for orders.

As regards his request for grant of a site in exchange I am to add that he had seen me and requested for any one of the following sites, viz., 191, 192 381 or 398 of Block II or Site No.16 in Block III of Jayanagar Extension. As regards the first four sites I am to state that they are Civic Amenity Sites which are reserved for special purposes and as they are situated just in front of the proposed market in Block II. Therefore they are not available for disposal.

As regards site No.16 in Block III, which measures 80'x120', it is available for disposal and may be granted to him.

I may further state that the question of granting this site in exchange will be considered only after the acquisition proceedings are completed regarding his site No.24 in Lalbagh-Upparahalli.

PROCEEDINGS OF THE GOVERNMENT OF MYSORE. 92

READ:-

Representation dated 8-7-1955 from Sri M.Chinna Reddy, Retired Assistant Commissioner, stating that his site No. 24 in Lalbagh Upparahalli measuring 120' East-West and 80' North-South will be acquired for the expansion of Lalbagh and that he may be granted an equal area in exchange in Jayanagar Extension (amenity site).

2) Un-Official Note No.C.64 dated 28-1-1956 from the Chairman, City Improvement Trust Board, Bangalore, stating that Sri Chinna Reddy's representation may be treated as a special case and a Bangalow site of an equivalent extent (site No.16 in Block III measuring 80' x 120') may be given in exchange with suitable concessions in collecting layout charges, which are fixed at Rs.4-12-0 per sq.yd., in this area and further suggesting that Rs.2/- per sq.yd., as layout charges may be collected as a Special Case.

-:-

ORDER NO.L. 4123-24/9TA. 11-55-236

DATED, BANGALORE, THE / JUNE 1956.

Sri Chinna Reddy's site which is proposed to be acquired is 120' x 80'. The site proposed for exchange is also of the same dimensions. But Sri Chinna Reddy's site is adjacent to Lalbagh and nearer to City and therefore is more valuable than the site proposed to be given in Jayanagar, which is far off. Therefore, it is advantageous to Government for exchanging land for land. It would be inequitable to charge Sri Chinna Reddy with extra cost. Sri Chinna Reddy's property may be taken possession of on exchange basis.
